The school will conduct tests and examinations as prescribed by the Goa Board.

From the Principal's Desk

DCT's Vasanttrao Dempo Higher Secondary School of Arts, Science and Commerce, Cujira, is the oldest and most prestigious Higher Secondary School in North Goa.

Being a past student of the same institution, I feel honoured to be the Principal after 37 years of teaching Economics in the same institution inclusive of teaching in the college section.

It's my belief that education is not all about books and exams. Education is the overall development of the child in curricular and co-curricular activities.

Our massive infrastructure permits overall development of the child. We have excellent faculty members to look after the academic requirements. In addition, there are facilities for indoor games like table tennis, badminton, chess, carrom and archery. NCC training is also available. For outdoor games, students get special coaching when the need arises. The Physical Education section is headed by our dynamic P.E Teacher, Mr. Chetan Kavlekar. There is also Mr. Vishal Bhandari who manages P.E in addition to the Naval NCC wing of our institution.

Students get exposure to showcase their talents in singing, dancing, music and acting too. We have constant support and encouragement from our management in all our endeavours.

In the last academic year, our students have excelled in both academics as well as co-curricular activities. We have budding scientists like Mast Shiva Upadhyay who has represented our institution at the national level with his original inventions. We also

have talented dancers like Miss Pouravi Desai who represented our institution and won prizes at an all India level. In this institution we have already put into practice the basics of the NEP which aims at an all round development of every child. We thus focus not only on academics but also art, culture, sports music, drama, elocution, photography, scientific experiments and inventions and so many more.

A child entering our institution is given both opportunity and encouragement to discover and hone his/her talents. We also organize study tours, treks, picnics etc. to develop our students to face life situations and grow into capable adults.

In academics too we have excelled this year obtaining an overall pass percentage of 96%. We are also privileged, being one of the few higher secondary schools in Goa who have direct access and mentorship of leading colleges, our sister concerns, namely D.C.T's Dhempe College of Arts and Science and Srinivassa Sinai Dempo College (Autonomous) both accredited with NAAC 'A' Grade. These prestigious colleges offer several happening courses and programmes including BBA, I M Com and many NEP compliant programmes apart from BA, B Sc, B Com etc. These colleges also provide exclusive guidance to our students to bring them on par with the academic requirements of any college courses.

Thus, a child after gaining entry into our institution will come out as a responsible, fully developed and confident citizen of our country on completing 2 years with us.

Ms. Minaxi Mudaliar
Principal

From the Vice Principal's Desk

As the Vice Principal of this institution I take great pride in working with a team of dedicated teachers and administrative staff. Our school always focusses on cultivating a very supportive atmosphere which encourages creativity ,curiosity and a great spirit for newer learning. We deeply value our commitment to nurture the student's inner potential which definitely will manifest finer growth and promising action.

Let us work together to believe and build a great value system that will make our students a part and parcel of a progressive community .

As we embark upon a new academic year let us collaborate in moving ahead towards motivating goals and vibrant efforts which will go a long way in achieving holistic development. Let us vow to create a culture of hardwork and devotion . Let the spirit of harmony and good learning hail high. Let us have our share for a better world through right thoughts and sincere perception.

3. Parents/guardians will not be allowed to meet their children/wards during class hours. So also contacting any student during his/her class hours is not normally allowed. Prior permission from the Principal is to be obtained in such matters however, a student can seek prior appointment with the teacher when he /she or his/her parents/guardian want to meet a teacher / Principal.
4. **ATTENDANCE & PASSING STANDARD:** As regular attendance is an important element of education, no leave of absence will be granted except for a serious reason (especially on medical grounds). Uncertified absence for more than 10 class days renders the student liable to be suspended / terminated from the rolls. No student who comes late shall be allowed to enter the class without the permission of the teacher. Fulfilment of minimum attendance criteria and satisfactory clearance of all academic subjects are the sole responsibilities of the student. The guidelines for these norms given by DOE are as under. (A) Student may not be allowed to appear in one or all subjects at Goa Board examination if (i) Attendance criteria of 75% is not fulfilled in one or more subject or (ii) Not satisfactorily completed works assigned in one or more subjects. Absence for even one period is considered as absence for the full day, as per Goa Board's Rules for Higher Secondary Classes.
5. **LEAVE POLICY:** Before taking leave (not more than 3 consecutive days) every student will require prior written permission, authenticated by all concerned class teachers and the Principal. For this they have to furnish evidence of leave requirements either before or after the leave period. Being the students of this institution, you are required to take prior permission from your class teachers and the Principal before involving yourself in any kind of other activities inside or outside the institution whether academic or non-academic. While leaving the school during academic hours, you need to take prior permission

from the Principal or the class teacher in writing.

- 6) Any act of violence or ragging will be meted with punishment (as per rules) which will be reflected on his/her certificate. The punishment may range from suspension from class or heavy fines to expulsion or rustication from the school.
- 7) Parents/guardians are deemed members of “**Vasantrao Dempo Higher Secondary School of Arts, Science and Commerce Parent-Teacher Association**” by paying Rs. 100/- as membership fee for one academic year. Parents are required to attend PTA meeting as and when held during the year. The intimation for the meeting is always sent through the wards.
- 8) Students who use unfair means at any test/examination are liable for penal action as per the rules and regulations. Any student who is found tampering with marks in the report card or other official documents will be asked to leave the institution.
- 9) Any additional rule as and when it is introduced by the institution, will be binding on the students/parents.

GANDHIJI'S PLEDGE

October 2nd

India of my dreams

I shall work for an India in which the poorest shall feel that it is their country in whose making they have an effective voice, an India in which there shall be high class and low class of people; an India in which all communities shall live in perfect harmony.

There can be room in such an India for the curse of untouchability, or the curse of intoxicating drinks and drugs. Women will enjoy the same rights as men. We shall be at peace with all the rest of the world. This is the India of my dreams.

Mohandas Karamchand Gandhi

To,
The Principal
